Kanzaland Radio wants to give you \$1000 for Christmas shopping this year, with our holiday hot spot giveaway!

Be listening for our “businesses of the day.” Any time we have a business of the day, you can stop in that business on that day and sign up to win.

TWO people who sign up at each daily “hot spot” will automatically become finalists to win.

ALSO, the day following a hot spot location, we'll draw two more names on the air during the morning show and give those two people 5 minutes to call in (1-888-90-RADIO) and also become a finalist... so we could get FOUR finalists from each hot spot location!

Keep listening to Kanzaland Radio to hear where and when we have hot spot businesses of the day... and check here for upcoming days and locations as well.

On December 20th someone will win \$1000 for Christmas shopping from Kanzaland Radio!
