Shortly after high school, he entered the United State Navy, graduating with honors as a Corpsman from the Navy Undersea Medical Institute in June of 1993 at the Submarine Base in New London Groton, Connecticut. David was assigned to the USS Pogy in San Diego, California and was a medic on many underwater missions across the world. One of the highlights of his submarine career was being a part of the Transcontinental Pacific Mission. A month tour carrying scientists to the North Pole studying the polar ice cap.

Upon retiring from the Navy in 2002, David moved to the St. Joseph, Missouri area and worked at Mosaic as the business manager of Radiology for several years.

He married Paula Mesh in 1990, later divorced in 2001. No children were born to the union.

David moved to Hiawatha and took up his lifelong passion of hunting and fishing with a great friend Biff Mauslein.

Survivors include his mother Doris Wynn Moon (Eldon Pickenpaugh) of St. Joseph, step-mother Sharon Bruns of Highland, a brother Danny Bruns of Topeka, a sister Wendy Simmons (Barry) of Highland, KS. Also surviving are nieces Alexis Winchester (Cody), Alysa

Simmons, nephews: Braden Simmons and Teegan Bruns.

David was preceded in death by his father Jerry Bruns, and grandparents.

David had the best smile, everything he did, he did BIG! He was happiest just sitting on the bank of an old farm pond with friends. We will cherish every memory.
