Repairs to be Made to Doniphan Courthouse Entryways

(KNZA)-Repairs will be made to the exterior entryways at the Doniphan County Courthouse in Troy.

Doniphan County Commissioners this week accepted four bids totaling \$23,573 for the repair work.

Fuemmeler Flatwork and Construction of Troy will fix the eight concrete pillars. Seaman and Schuske Metal Works of St. Joseph will power wash and coat the balcony roofs. They will also replace the metal ceiling panels. National Painting and Coatings Inc. of St. Joseph will paint the entryway railings.

Funding for the repairs will come from the sales tax fund.
