Horses Easing Life's Pain

There will be an event hosted by CFCC & Associates, Inc., a nonprofit counseling center in Topeka that incorporates, when appropriate, horses to assist the healing process of children and adults suffering from a variety of traumatic life events. The name of our equine program is Horses Easing Life's Pain (HELP). We are hosting a 2-day event with an Arena Obstacle Course (AOC) on Saturday, April 26th, and a Competitive Trail Challenge (CTC) on Sunday, April 27th. If you have any questions please feel free to contact me or the event coordinator, Deborah Myers, at (785) 272-0778. Thanks!
