Willis Woman Injured in Wreck

(KNZA)---A single-vehicle roll-over wreck on a Brown County road Tuesday evening sent a Willis woman to the hospital.

The Kansas Highway Patrol says 20-year-old Misty Wakole was eastbound on 130th Road, just west of Kestrel Road, when she lost control of her car and went into the north ditch. Her vehicle then rolled multiple times before coming to rest in the roadway shortly after 7.

Wakole was transported to Topeka's St. Francis Hospital with what were described as disabling injuries.

The Patrol says she was not wearing a seat belt.
