Man Charged with Stalking Jogger

(KNZA)--A St. Joseph man has been charged with allegedly stalking a female jogger.

KQ2-TV reports 26-year-old Joseph Wayne Solomon was charged Thursday with felony stalking.

Police say a woman was running along Ashland Avenue Wednesday morning when she noticed a man in pickup truck following her. The man allegedly continued to follow her for more than three miles before the woman called police.

Police later arrested Solomon who was also found guilty of stalking in July of 2011.

Police remind those who plan on jogging to always carry a phone with them.
