Man Faces Charges After Disturbance at Falls City Apartment

(KTNC)--A Falls City man faces several charges following a disturbance at an apartment complex Saturday afternoon.

Assistant Police Chief Jamie Baker says Ethan Bentley was arrested in connection with the incident at Burbank Apartments.

Baker says Bentley broke an outside window to gain entry into an apartment, caused extensive damage to the apartment, and threatened the resident.

Baker says the resident called 9-1-1 at about 4:30 Saturday afternoon, while locked in a room of the apartment with their child.

Bentley was arrested later Saturday evening. He is charged with burglary, criminal mischief, 3rd degree assault, child abuse, and making terroristic threats.
