Falls City Firemen Called to Extinguish BBQ Fire

(KTNC)--Falls City Firemen responded Tuesday evening when an evening cookout got out of control.

Firefighters were called to 1618 Crook Street shortly after 8:00 p.m. Tuesday after a rubber hose to the tank on a barbecue grill caught on fire.

Fire Chief Ken Simpson says the fire was doused with a fire extinguisher. Damage was limited to the grill and the meat that was cooking at the time.

Twelve volunteer firefighters responded to the call.
