St. Joseph Company Plans Expansion

(KNZA)--An animal health and nutrition company with operations in St. Joseph is planning to build an expansion.

KQ2-TV reports Protein L.L.C. will build a new facility on nearly ten acres of land at the corner of Stockyards Expressway and Illinois Avenue.

Cost of the facility will be \$11.5 million and is expected to add 20 new jobs.

Protein L.L.C. is a supplier of meat ingredients for the pet food industry.
