#### Food Processing Company Selects Atchison For Headquarters

(KAIR)--Inclusion Technologies LLC, a producer of ingredients for various food products has selected Atchison for the location for it's headquarters and manufacturing facility. According to a joint statement released by the company and Atchison city officials, the new facility will be located at 1145 Main Street, the site of the former Anacon Foods Company. The company anticipates hiring seventeen employees over the next five years, and will continue capital investment in the Atchison facility. Inclusion Technologies LLC will produce food ingredient products for the industrial market, including a line of nut free ingredients.
