Rollover Wreck Leaves Teen Injured

(KNZA)--A single vehicle rollover crash Thursday afternoon, west of Horton, sends a Powhattan teenager to the hospital.

Brown County Sheriff John Merchant says 17-year-old Kennedy Barnes was behind the wheel of a 1974 pick-up truck, eastbound on K-20, when the truck left the roadway.

That caused the vehicle to rollover numerous times, leaving Barnes injured.

She was transported from the scene by ambulance to the Horton Community Hospital where she was treated for non-life threatening injuries.

Emergency crews from Horton assisted the Brown County Sheriff's Office at the scene of the 4:30 wreck.
