KAIR Anniversary Special Part Six: Harold Shepner

(KAIR)--As KAIR radio celebrates seventy five years on air, we pause to take a look back on some of the people and events that have helped make us a part of the Atchison community for over seven decades. Each week, we will focus on a story that helps us remember a bit of our history.

As we wrap up this series, we take a moment to look at the history of KAIR radio itself. Our own Tom Kautz recently had a chance to sit down and speak with former KAIR Program Director Harold Shepner about his time at the station, and how it has changed throughout the years.
