Ramp Closure In St. Joseph Could Disrupt Traffic

(KAIR)--The Missouri Department of Transportation is warning motorists that a ramp closure in St. Joseph could disrupt traffic.

According to a release from MDOT, the ramp onto northbound I-229 from Sixth Street in St. Joseph will be closed Tuesday and Wednesday from 7:00am-3:30pm for repairs to the bridge approach. All work is weather permitting.

Motorists are encouraged to seek an alternate route if possible to avoid any significant delays.
