Meth Allegedly Found During Sabetha Search

(KMZA)--A Sabetha resident is facing drug charges following a search of the suspect's home.

31-year-old Stacey Hendrixson was arrested by the Sabetha Police Department Monday on charges including possession of methamphetamine, and possession of drug paraphernalia.

Police Chief Robert Wahwasuck says the search was made at the request of Hendrixson's probation officer.

Hendrixson was booked into the Nemaha County Jail.
