#### Sac & Fox Casino To Reduce Hours for Renovation

POWHATTAN, Kan. (AP) --The Sac and Fox Casino located on U.S. 75 in Brown County will temporarily reduce its overnight hours for the next few weeks while renovation work is underway. General Manager Bruce McClure says the gaming area of the casino will be closed from 2 to 8 in the morning on weekdays, starting Monday. However, he said the overnight hours will continue on weekends. McClure says the casino is expected to resume normal 24-hour operations in mid February.

The Topeka Capital-Journal reports the work will include removing wallpaper and painting the walls, replacing some lighting and cleaning the carpets and ceiling. Some slot machines will be relocated and a wall will be built near the player's club area to create a focal point for contests and promotional events.
