Doniphan Co. Aging Administrator now Part-time

(KNZA)--The official title for Joi Davies has been changed from interim to permanent part-time administrator of the Doniphan County Aging Department.

The County Commission took the action following an executive session Monday.

The change is effective immediately. She will be paid \$16.10 an hour.

Davies had served as interim administrator since last October following the resignation of Julie Simmons.

The Commission also agreed Monday to hire a part-time as needed driver for the county Public Transportation Department.

In addition, the Commission approved a request by Davies to obtain bids to replace the carpet and tile at the Highland Senior Center.
