### Big Export Year for Missouri

ST. JOSEPH, Mo. (AP) - Missouri has had another year of high exports with more than \$14 billion in sales last year.

Gov. Jay Nixon says that's the state's second highest year on record. Nixon says exports were up 9 percent from 2013.

Missouri's top exports include transportation equipment, chemicals and food. The state primarily sells to Canada, Mexico, China, Japan and the Republic of Korea.
