Burn Ban Lifted in Brown County

(KNZA)-- With the rain the past two days, the Brown County Commission has decided to lift the burn ban.

Sheriff John Merchant said today (Thursday) the ban will be lifted immediately. However, he said the Commission will revisit the issue at their meeting Monday to re-evaluate the need to re-implement or leave it off.

The burn ban had been in effect since March 7th, imposed after numerous out-of-control grass fires.
