Onaga Teen Injured in Wreck

(KMZA)--A single-vehicle wreck on a Cloud County road Saturday evening sent an Onaga teenager to the hospital.

The Kansas Highway Patrol says 18-year-old Marcus Dice was traveling south on 130th Road about 5 miles southwest of Concordia when he lost control of his Pontiac Grand Am and struck the west ditch shortly before 7:20.

Dice, who wasn't wearing a seatbelt, was transported to the Cloud County Hospital in Concordia for treatment of unspecified injuries.

A passenger, 19-year-old Salina resident Blade Moody, received possible injuries. However, the Patrol report doesn't indicate he was transported to a hospital.
