

Falls City School Board Approves Pay Raises

(KLZA)-- Following an executive session Monday night the Falls City Board of Education approved the compensation for the four District 56 Principals, with an average package increase of 1.86-percent.

Compensation for classified personnel for the 2015-16 school year was approved with a 2.54-percent increase.

The Board also approved an increase in the activity admission season passes for the 2015-16 school year. The price for a family pass will increase \$20 to \$150, an adult single pass will increase \$10 to \$65 and the student pass will increase \$5 to \$40.

The High School Administration proposed increasing the prices by \$40 for the family pass, \$15 for the adult pass and \$10 for the student pass.

The proposed increase was due to the addition of baseball this spring. With 40 home activities in 2014-15 at the High School and not including any Middle School events, the estimated cost to attend a game on the family pass was \$1, the adult pass \$1.28 and the student pass 88-cents.

The addition of baseball has meant hiring umpires for eight contests, and paying ticket takers for the games.
