One Injured in Brown County Wreck

(KNZA)--A rear-end collision on U.S. 75 Highway in Brown County early Saturday afternoon sent one to the hospital.

The Kansas Highway Patrol says the wreck happened shortly after noon about ten miles south of Fairview at 130th Road.

The Patrol says 25-year-old Vincent Gann, of Solomon, was northbound when his Jeep Grand Cherokee struck the rear of a Ford Escape XLS driven by 41-year-old Manhattan resident Theodore Leonard who was turning westbound onto 130th Road.

A passenger in the Jeep Grand Cherokee, 23-year-old Junction City resident Tara Gann, was transported to the Horton Community Hospital with unspecified injuries. Vincent Gann and Leonard were not hurt.

The Patrol says all the occupants were wearing seatbelts.
