Toddler Injured After Struck by Lawn Mower

BONNER SPRINGS, Kan. (AP) - A 15-month-old was flown to a hospital after being struck by a lawn mower in Leavenworth County.

Authorities say the toddler suffered injuries to the lower body in the Wednesday night incident in Bonner Springs .

According to the Leavenworth County Sheriff's Office, the victim, who was taken to Children's Mercy Hospital in Kansas City, lives at the home where the incident occurred.

Further details were not released.
