### SE Neb Woman Files Suit Against All Homosexuals

Omaha--An Auburn, Nebraska woman has filed a federal lawsuit against all homosexuals.

According to the Lincoln Journal 66-year-old Sylvia Driskell calls herself an ambassador for God and his son, Jesus Christ.

In the suit she says she is petitioning the U.S. District Court of Omaha to be heard “in the matter of homosexuality. Is homosexuality a sin, or not a sin?”

Driskell filed a seven-page letter. She says she petitioned the court because she feels it imperative to stand up for the moral principles on which the nation was founded.
