Trial Set for Former Area Fire Chief

(KNZA)--An October 27th jury trial has been set for a former Jefferson County fire chief charged with misuse of public funds and theft.

John Gordon, of Valley Falls, pleaded “not guilty” last November to the felony charges.

Authorities allege Gordon stole between \$1,000 and \$25,000 while serving as fire chief of Jefferson County Fire District #11.

He was arrested in June of last year following an investigation by the Kansas Bureau of Investigation.
