Buchanan County Crash Sends One To The Hospital

(KAIR)--A two vehicle crash in Buchanan County Thursday morning sent an Olathe man to the hospital.

Buchanan County Sheriff's Department Captain Tiger Parsons says it happened at the intersection of Highway 116 and SW Old Highway Road near Rushville. A vehicle driven by 36-year-old Travis Allen crossed the center line for an unknown reason, and collided with a semi truck who had attempted to get out of the way by moving to the right.

Allen was taken by EMS to the Atchison Hospital for treatment of a possible concussion. The driver of the semi was uninjured.

The wreck was reported just after 7:15.
