Four Injured In Area Wreck

(KMZA)--A 19-year-old rural Havensville man is identified as the driver of a vehicle involved in a Pottawatomie County crash Sunday night.

Sheriff Greg Riat says Jacob Bryan was behind the wheel of the vehicle that rolled over into a creek near Conestoga Road and Daisy Road in rural Louisville.

Apparently northbound on Conestoga Road, Riat says the vehicle left the roadway, went off a bridge and landed upside down in the creek.

A passenger was able to free Bryan, and two others in the vehicle, prior to the arrival of emergency crews.

All were transported for treatment of injuries at an area hospital.

KMAN Radio identifies the passengers as Lasten Kranz, of Whiting, Jennifer Hamlin, of Holton, and Dakota Ames, of Onaga. It's not immediately specified which of the three was involved in freeing the others.

The wreck was reported around 11:15 Sunday night.
