Ozawkie to Recieve USDA Loan for Sewer Improvements

(KNZA)--The Jefferson County community of Ozawkie will receive a \$3.8 million loan through the USDA Rural Utilities Service to help fund improvements to the city's sewer system.

U.S. Senator Jerry Moran announced Tuesday the loan will be used to complete the second phase of a sewer system improvement, and to refinance the city's existing debt used on the phase one improvements.

USDA's Rural Utilities Service administers programs that provide infrastructure or infrastructure improvements to rural communities
