Nortonville Teen Injured in Rollover Crash

(KNZA)--A single-vehicle roll-over crash on a Jefferson County road about four miles northeast of Winchester Friday evening sent a Nortonville teenager to the hospital.

The Kansas Highway Patrol says 17-year-old Ashton Renee Brown was northbound on Mooney Creek Road, just north of 158th Road, when she lost control of Honda Civic on the gravel. Her car left the roadway and went into a ditch where it rolled, coming to rest on its top.

Brown was transported to the Atchison Hospital with possible injuries. A passenger, 15-year-old Winchester resident Kayla Hutzell, was not hurt.

The Patrol says both teens were wearing seatbelts.

The wreck was reported shortly after 9:00 Friday evening.
