Belvue Truck Theft Investigated

(KMZA)--The Pottawatomie County Sheriff's Office is searching for a pickup truck stolen late last month.

Sheriff Greg Riat says the 1993 Chevy C3500 was reported missing on September 28th.

Owned by the Nemaha County Co-Op, the truck was parked at the company's Belvue facility, with the keys believed to have been inside the vehicle.

Riat says the truck has a black flat-bed with a white 100 gallon diesel tank mounted in the bed, with Nemaha County Co-Op decals on both the driver's side and passenger side doors.

The truck is valued at around \$1,000.

Anyone with information about the theft is urged to contact the Pottawatomie County Sheriff's Office at (785) 457-3353.
