Stuck Trailer Blocks Atchison Traffic

Photos Courtesy Atchison Police Dept.

(KAIR)--A semi trailer blocking traffic on west U.S. Highway 59, in Atchison, has now been moved. That word from Atchison Police, who directed traffic around the trailer through the morning. The driver of the semi pulled out of a parking lot around 9:00 Monday morning, with the trailer becoming stuck in ditch, blocking a portion of the highway. The trailer was emptied to allow easier removal, and the roadway was cleared around 11:30. No injuries are reported.
