Two Women Hospitalized Following Incident in Falls City

(KLZA)-- The Falls City Police Department is investigating an incident Wednesday afternoon that sent two women to the hospital--one with a knife wound.

According to a release from Police Chief Duane Armbruster the Police Department received a report of a female walking in the alley in the 2100 block of Lane Street. She was described as bloody and undressed. The responding officer located the woman and a juvenile.

It was determined the adult female was 30-year old Adrienne Franzen who resides at 1911 Morton Street in Falls City.

Further investigation revealed an incident had occurred at 1911 Morton involving Franzen, 31-year-old Megan Shipley, of Albion, and two minor children. During the incident, Shipley was cut with a knife. Shipley along with Franzen were transported to Community Medical Center.

No further details are available. The investigation is ongoing.
