Shopko Donates to Falls City Schools

(KLZA)-- The Shopko Hometown “Help Us Give Back” initiative in December resulted in donations to both the Falls City Public School District and to Falls City Sacred Heart.

Signatures were collected from Shopko customers. For each signature, the Shopko Foundation donated \$1, up to \$2,000. In Falls City that will mean a \$2,000 donation to the Falls City Public School District as well as to Falls City Sacred Heart.
