Lot Sold in Seneca for Sonic Restaurant

(KNZA)--Another commercial lot in Seneca's Fairway Addition along west U.S. 36 Highway has been sold.

The City Council Wednesday evening approved the sale of Lot 8 to Chris Roberts, of Marysville, for \$85,000. The lot consists of about 1.4 acres.

Roberts plans to build a Sonic Restaurant on the property.

Heritage Realty of Seneca is assisting the city with the sale of the lots in the city-owned subdivision, which was the site of the old golf course.

Two of the 11 lots have now been sold.
