St. Joseph Woman Injured in NEK Wreck

(KNZA)--A single-vehicle wreck in northeast Kansas Saturday night sent a St. Joseph, Missouri woman to the hospital with serious injuries.

The Kansas Highway Patrol says it happened shortly 8:00 on U.S. 24 Highway about two miles east of St. Marys.

The Patrol says 34-year-old Jessica Alsbury was westbound when her car left the roadway for an unknown reason and overturned.

Alsbury, who was not wearing a seatbelt at the time of the wreck, was transported by ambulance to Topeka's Stormont-Vail Regional Health Center with what the Patrol described as disabling injuries.
