Semi Crash Leaves Fairview Man Injured

(KMZA)--A Fairview man takes a trip to the hospital after his semi rolls over, leaving him injured.

The Nemaha County Sheriff's Office says it happened Sunday when 33-year-old Eric Niehues was westbound on U.S. Highway 36 when the semi ran onto the shoulder.

Niehues overcorrected, causing the semi to overturn into the north ditch.

Niehues was transported from the scene by ambulance to the Nemaha Valley Community Hospital in Seneca for treatment of his injuries.
