

Proposed Brown Co Budget Contains Levy Decrease

(KNZA)--The proposed 2017 Brown County budget contains a 3.4 mill property tax levy decrease.

The Brown County Commission Monday approved the more than \$12 million budget for publication after making several modifications.

The budget contains an estimated tax rate of 33.508 mills, which is to generate more than \$5.4 million in property tax revenue.

The Commission was able to lower the mill levy due to a more than \$12 million increase in the county's assessed valuation.

The Commission will consider adoption of the budget following a public hearing at their August 15th meeting.
