Migratory Bird Hunting Starts in September

The Missouri Department of Conservation (MDC) reminds hunters that dove, snipe, and rail hunting in Missouri starts Sept. 1 with teal hunting opening Sept. 10 and woodcock hunting opening Oct. 15.

Migratory-bird hunters can get detailed information on related regulations, seasons, species, permits, limits, and more from MDC's "Migratory Bird Hunting Digest 2016" available where hunting permits are sold. Find detailed hunting information by species online at huntfish.mdc.mo.gov/hunting-trapping/species.
