Sunday Liquor Sales Approved in Troy

**(KNZA)--The Troy City Council has approved an ordinance allowing the retail sale of cereal malt beverages in the original package on Sundays.**

**That came on a 4-1 vote at the Council's recent meeting, with Council member Margaret Sutherland casting the lone "no" vote.**

**Sunday cereal malt beverage sales would be allowed between the hours of 12 noon at 8 p.m., with the exception of Easter.**

***The Kansas Chief* reports the ordinance will become effective in 60 days unless a valid protest petition is submitted requesting that it be put to a public vote.**
