

Teens Sentenced In Carjacking Case

(KAIR)--Two of the three teenagers arrested in connection with an Atchison carjacking heard their sentence in Atchison County District Court on Monday.

Both teens faced one count of felony theft.

Jasea Sanders was sentenced to 14 months with the Kansas Department of Corrections.

His co-defendant in the case, Justin Arbee was given 12 months, but that was suspended to 60 days in jail with 12 months supervised probation.

Charges for Sanders and Arbee stem from a report of a carjacking back in July.

Atchison Police Chief Mike Wilson told MSC News the victim was approached by the three teens in the area of 4th and Main asking to borrow her phone.

They then asked for a ride and displayed a stun gun inside the vehicle.

At that point, the victim was forced out of the car and the three subjects left in the vehicle.

The teens, aged 14, 15 and 16 were located and arrested just days after the report.
