

Structure Fire at Brown Co Hog Farm

**(KNZA)--Firefighters battled a structure fire at a rural Robinson hog farm Thursday morning.**

**Robinson Fire Chief Dennis Tietjens says the Robinson Fire Department was dispatched to Edwin Parker's hog farm at 2456 280th Street shortly after 7:15.**

**Upon arrival, Tietjens says firefighters found moderate smoke coming from the eaves of the office building.**

**He says the fire was mostly contained to the attic area with significant damage occurring.**

**Tietjens the fire is believed to have been electrical, possibly caused by heat tape, but is still under investigation by the Kansas State Fire Marshal's office.**

**Firefighters remained on the scene until 10:15.**

**Assisting were the Hiawatha Fire Department, Brown County Rescue Squad, Town and Country EMS and Brown County Sheriffs Department**
