Pawnee City Council Informed of Property Donation  
(KLZA)-- Bob Miller, President of the Pawnee City Economic Development Corporation informed the City Council last week of property being donated to the group that will eventually be owned by the City.

**Fred and Louise Kenton have agree to donated property located just to the north of where the new Assisted Living facility is to be located to the Pawnee City Community Foundation. The properties will then be turned over to the City. Pawnee City will then be responsible for razing two homes on the property.**

**The area could eventually be utilized for further developments.**
