

Zoning Change Request Tabled

**(KNZA)--The Doniphan County Commission has tabled action on a zoning change being sought to allow for the location of storage units and a meat processing operation on property near Troy.**

**The Commission held a public hearing Monday on a request from Terri Hegarty for the rezoning of property located at 1187 Last Chance Road from agricultural to mixed use.**

**Two county residents spoke in opposition to the zoning change and a letter of opposition was received from an adjoining landowner.**

**County Zoning Administrator Julie Meng said the Doniphan County Planning Commission recommended the zoning change contingent upon all county, state and federal regulations that apply being met.**

**The Commission tabled action until their February 27th meeting to allow Hegarty time to contact the Kansas Department of Agriculture for state licensing requirements and the county time to research state standards for licensing.**
