

One Car Wreck Leaves Man Injured

(KAIR)--Details are released regarding a single vehicle rollover wreck that sent a Severance resident to the hospital.

Atchison County Sheriff Jack Laurie says it happened Saturday morning shortly before 7:00, when 36-year-old James Enloe was northbound on K-7 Highway, at 330th Road.

His vehicle drifted off the roadway, and onto the shoulder, where the car went sideways, and then rolled over.

Enloe was transported to the Atchison Hospital, suffering from what Laurie describes as a cut and possible head injuries.

His injuries were not believed to be serious or life threatening.
