Bid Awarded for New County Shop in Humboldt

(KLZA)-- Richardson County Commissioners have awarded the bid for a new Shop at the County Yard in Humboldt to McNealy Construction of Humboldt.

The bid of \$80,695 was among five received for the project. This was the low bid of five submitted for the project.

Commissioners also reviewed documents from the Nebraska Department of Roads for the purchase of right-of-way for the Highway 73 project.

Commissioners are requesting a representative of the Department of Roads meet with them to review some concerns and questions they have regarding the project.
