

Falls City Council Approves Demolition of Nuisance Home

(KLZA)-- Falls City Council members voted unanimously Monday evening to authorize civil proceedings for abatement of a nuisance house at 1813 McLean Street. City Administrator says the house has deteriorated to the point it needs to be removed.

Jorn says hopes are to raze three nuisance homes during this fiscal year. \$19-thousand dollars was earmarked in the budget for demolition of nuisances.

Houses at 924 Fulton and 2021 McLean are currently in the process in the system to be declared nuisances and being razed.

There is a list of properties the City is hoping owners will clean up or fix up, or action against the properties will likely be taken in the future.
