

Falls City Hospital Honored

**(KLZA)-- iVantage Health Analytics and The Chartis Center for Rural Health recently named Community Medical Center in Falls City one of the Top 100 Critical Access Hospitals in the United States.**

**CMC scored in the top 100 of Critical Access Hospitals on iVantage Health Analytics' Hospital Strength INDEX. The INDEX is the industry's most comprehensive ratings of rural providers.**

**The Top 100 Critical Access Hospitals play a key role in providing a safety net to communities across America and the INDEX measures them across eight pillars of hospital strength: Inpatient Share Ranking, Outpatient Share Ranking, Cost, Charge, Quality, Outcomes, Patient Perspectives and Financial Stability.**

**Community Medical Center administrator Ryan Larsen called the achievement gratifying, noting, he is proud of the staff. Larsen said “ We work hard to provide the best health care possible while maintaining an efficient and effective facility.”**

**Of the 100 hospitals honored nationwide, 10 were in Nebraska and nine were in Kansas.**
