

**Man Admits Guilt In Vehicle Theft
(KAIR)--Guilty.**

That's the plea from the Lansing man arrested on numerous charges in early July after an injury wreck in Atchison.

23-year-old Dalton Spinner pled guilty to theft and burglary of a vehicle last week in Atchison County District Court.

Four additional charges were dismissed--including possession of methamphetamine were thrown out.

Sentencing for Spinner is set for Sept. 1.

Charges for Spinner stem from a July 5 incident when Atchison Police Chief Mike Wilson said Spinner crashed a stolen vehicle in the area of Omaha Junction in Atchison.

Officers determined that vehicle had been stolen from Leavenworth several days earlier.

After crashing, Spinner ran to nearby Max's BP where bystanders intervened and held Spinner until police arrived.

During the wreck, Spinner had a female passenger in the vehicle who was taken to the hospital for treatment of injuries.
