40-Years of City Service Recognized

(KAIR)--40-years of city service.

That's the reason for recent recognition of two City of Atchison employees, honored for four-decades of serving the local municipality.

Recognized are Atchison Police Chief Mike Wilson and Human Resources Director Lori Moore.

Wilson and Moore were recognized for their years of service by the League of Kansas Municipalities.

That happened during the League's annual Conference, which was held September 16 through September 18 in Wichita.

Both Wilson and Moore were presented with plaques acknowledging their commitment to Atchison's city government.
