

Convicted Police Killer Sentenced In LV County

**(KAIR)--A former Tonganoxie resident, already serving life in prison for the killing of a Kansas City, Kansas Police Detective, was sentenced Thursday on Leavenworth County charges for crimes committed the same day that Brad Lancaster was murdered.**

**According to Leavenworth County Attorney Todd Thompson, 30-year-old Curtis Ayers was sentenced for aggravated robbery and aggravated burglary to more than 20-years in prison. That sentence will run consecutively to the life sentence Ayers is serving in the capitol murder case.**

**The crimes were committed in Basehor on May 9, 2016, the same day that Lancaster was killed.**

**It's alleged that Ayers, after the murder, drove a stolen car to a Basehor residence, where he parked in a garage.**

**Inside the car were two children, who were passengers in the vehicle when stolen by Ayers.**

**Authorities says Ayers entered the home and robbed a resident at gunpoint, taking the keys to another vehicle, along with a sweatshirt and shoes.**

**He then fled behind the wheel of the resident's vehicle, and was arrested later in Kansas City, Missouri.**
