Doniphan Co household hazardous waste collections set  
**(KNZA)--Household hazardous waste collections will be held in Doniphan County on a monthly basis, beginning next month.**

**The Doniphan County Commission last week approved an agreement with Jackson County for the disposal of the materials at the Jackson County Recycling Center in Holton.**

**Doniphan County will pay a disposal fee plus for the fuel and labor costs associated with transportation of the materials.**

**Dennis Foster with Northeast Kansas Environmental Services told Commissioners the household hazardous waste collections will be held on the third Thursday of every month, beginning November 16th.**

**The collections will take place at the county road shop at 1144 St. Columbus Road at the west edge of Wathena from 10:00 in the morning until 2:00 in the afternoon.**
